## WINTERAIL 2012

*Our 34th Year*

**RAILROAD PHOTOGRAPHY EXPOSITION AND RAILRODIANA SHOW**  
**SATURDAY, MARCH 10, 2012 -- 9:00 A.M. to 10:00 P.M.**

**SCOTTISH RITE MASONIC CENTER -- 33 WEST ALPINE AVE, STOCKTON, CALIFORNIA**

Join us as we begin our 34th year where it is a pleasure to bring to the discriminating railfan:

- \* High-quality, multi-visual digital slide presentations.
- \* The always-popular Railroadiana Show where you may purchase a variety of railroad collectables that include books, china, keys, lanterns, passes, photos, slides, videos, railroad apparel, plus other larger items.
- \* The improved photo print competition.
- \* Railroad historical societies and groups will have displays that you can visit.

For Winterail 2012 we have this exciting lineup planned:

The photographic accomplishments of **Al Rose** are presented by Stan Kistler, and Scott Lothes showcases **Joel Jensen's** work to headline this year's presentations. We then accompany **Dick Dorn's** adventures on the Southern Pacific. **Randy Nelson** will take us railroading in North Texas, showcasing the BNSF and UP railroads. Next, we head back in time for some narrow gauge railroading in *Steam Paradise* by **Tom Gildersleeve**. We'll traverse the Rio Grande for a modern-day salute to *Last of the Breed* by **Mike Danneman**. We'll switch format with a moving video by **Brendon Compton** on UP snow-fighting on Donner Pass. Traveling to California's San Joaquin Valley, we'll be treated to a brief, informative documentary on BNSF's replacement of a bridge, simply named *Madera* as presented by **Evan Werkema**. From California to Europe, we'll take a journey on narrow gauge streetcars from the twisted alleyways of Lisbon, Portugal, with **Brian Bechtold**. We'll experience a look from behind the lens of legendary **Mel Patrick** entitled *TMV*.

As always, we'll include *Shorts*, *Three Favorites*, and the *Winterail Hall of Fame*, rounding out a full day of multi-media digital slide shows sure to capture the imagination and please all.
